RE: English Translation of Japanese Type Approval Certificate

I am writing this letter to certify that a marine safety equipment " BOWL for MAGNETIC COMPASS, 150SLK" has been type-approved by the Government of Japan. The equipment was tested and confirmed to comply with the requirements of chapter V of International Convention for the Safety of Life at Sea (SOLAS), 1974, as amended in 1978, and its related IMO resolutions A.382(X).

Attached is a copy of Certificate of Type Approval for the equipment and its English translation is as follows;

Certificate NO.1959
Type Approval Certificate
2-9-24 Ichiokamotomachi, Minato-ku, Osaka-shi, Osaka, JAPAN DAIKO KEIKI SEISAKUSYO Co., Ltd. President Hiroshi KONO
THIS IS TO CERTIFY THAT the following equipment has been type-approved under Article 6-4, paragraph 1, of Ship Safety Law. At the request of Minister of Land, Infrastructure, Transport and Tourism, this type-approved equipment shall be subject to inspection in accordance with Article 6 of the Rules for Type Approval of Ship Equipment.
1. Name of Equipment : BOWL for MAGNETIC COMPASS
2. Model of Equipment : 150SLK
Date of Issue : 27 November 1981
Minister of Transport Seijuro SHIOKAWA (seal)

I hope that the above information is helpful to you. If you have any questions, please do not hesitate to contact me at any time.

Respectfully yours,

Tsutomu AKITA

Director

Inspection & Measurement Division
